Helen's Closet

The Elliot Sweater is your go-to cozy layer for everyday wear. Dress it up with dark denim and boots, or keep it casual over leggings and sneakers. View A has a stylish high-low hem with a side slit that provides comfort around the hips. View B is slightly cropped, perfect for pairing with high-waisted pants and skirts. View C of Elliot makes a great, everyday t-shirt. All views feature a raglan sleeve and three neck options are provided: an extra tall version that can be scrunched down or folded over, a medium height version, and a classic knit band.

Fabric Recommendations

Sweater knits with at least 20% stretch widthwise and 10% stretch lengthwise (see page 3 for more information). Views A and B work best in a medium to heavy weight sweater knit, rib knit, or french terry. Ponte and scuba knits can be used but will result in a more structured final garment. A drapey or slinky fabric will result in a relaxed neck. View C works best in a light to medium weight jersey or ITY knit.
