Helen's Closet

The Blackwood Cardigan is a cozy and versatile addition to your wardrobe. Designed with layering in mind, it has minimal excess fabric in the front and a close fit around the neck and shoulders. It's fitted shape and extra long sleeves make it perfect for wearing under jackets and vests, while also looking stylish over tank tops and dresses. View B ends at the hips, while View A extends down to the mid-thigh and includes patch pockets at hand level. The Blackwood is intended to be worn open and is not designed to close at the front.

Notions
